Reasons for Allowance

1. As per Applicant's instructions as filed on 5/8/06, claims 1, 6, and 11 have been amended.

2. Claims 1-15 are allowed

3. The following is an Examiner's statement of reasons for allowance.

Claims 1-15 are allowed as amended as filed on 5/8/06.

The prior art of record fails to anticipate or make obvious the novel features as discussed in the claims 1, 6, and 11, comprising:

performing a first encoding transformation on a set of data representing a video frame as frame based-data to generate an array of frame based coefficient data including chrominance data and a first representation of luminance data;

performing a second encoding transformation on a set of data representing a video frame as field based-data to generate an array of field based coefficient data including chrominance data and a second representation of luminance data;

determining a number of non-zero coefficients within the array of the frame based data and the array of the field based data;

selecting either the frame based data or the array of field based data based, at least in part, on the number of non-zero coefficients in the frame based data and the field based data; and

converting an ordering of the arrays of selected data.

Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
